Introduction:

NDC is the first and only institute in Gujarat, Approved by DGCA, Ministry of Civil Aviation, Govt. of India under the Mechanical and Avionics Streams. NDC-IAME is the Perfect blend of the institutions with the century old reputation of commitment towards quality and dynamic and young leadership in the field of every aspect of airworthiness under its wings as per the rules & regulations of DGCA, Govt. of India. NDC-IAME boasts as the only institute of have all the seven courses (H.A., L.A., P.E., J.E., E.S., I.S. AND R.N.) under one roof.

Vision:

Our vision is to set up the institute to cover every aspect of airworthiness under its wings as per the rules & regulations of DGCA, Min. of Civil Aviation, Govt. of India.

Role of Aircraft Maintenance Engineers:

The Aviation industry is growing at a rapid speed. Advanced aircrafts are being deployed and new routes are being opened. As per the guidelines of DGCA, Govt. of India scheduled maintenance on flying machines should be done by the licensed Aircraft Maintenance Engineer before it takes off. Aircraft Maintenance Engineer maintains and repair aircraft and mechanical systems, while specialists called avionics technicians handle the electronics. They use instruments to measure wear and test controls, replace defective components with hand tools, inspect their work to be sure it meets established standards and keep records of all actions.

Aircraft Maintenance Engineering Course:

Aircraft Maintenance Engineering is a licensed program issued by the Directorate General of Civil Aviation (DGCA). There is no gender discrimination in this course. The course duration will be of 3 years — six semesters. Last semester will be devoted to on the job practical training as per the exact guidelines of DGCA.

Mechanical Stream:

- ✓ Light Aeroplane (LA)
- ✓ Heavy Aeroplane (HA)
- ✓ Piston Engine (PE)
- ✓ Jet Engine (JE)

Avionics Stream:

- ✓ Electrical Systems (ES)
- ✓ Instrument Systems (IS)
- ✓ Radio Navigation (RN)

Facilities :

1. We have well Ventilated classrooms equipped with projectors and white board
2. Well-equipped Machine Shop, Welding Shop, Instrumentation laboratory, System Components Shop, Avionics Laboratory, Engine Laboratory and Radio Navigation & Communication Laboratory.
3. Competent, Committed, & highly experienced faculty for each subjects.
4. The institute has three live aircraft's for the practical training.
5. We have well-furnished hostel accommodation with a modern central kitchen which maintains safe and hygienic food, WI-Fi hostel, GYM facilities.
6. We have transport facilities.

NDC Institute of Aircraft Maintenance Engineering, Vadodara
